

Ahlan Emirate Announces Free Listing For Real Estate

List your property for free

Dubai, Apr 19, 2020 ([Issuewire.com](https://www.issuewire.com)) - Ahlan Emirate, a reputed name in directory services has come up with an initiative for those in real estate. The company has decided to do free social media marketing for all real estate clients in the United Arab Emirates (Abu Dhabi, Dubai, Sharjah, Ajman, Ras Al Khaima, Um Al Quwain, Fujairah) looking into the slowing economic conditions due to the pandemic.

The company calls in Real Estate Firms, Landlords in the United Arab Emirates and all those who are looking at renting or buying properties. The company has a wide data and assures that those who are listing their properties will get clients at a faster rate, and Ahlan Emirate will do 100% marketing to get the client the desired rate for their property.

For those willing to buy properties, Ahlan Emirate has a tie-up with banking institutions who can arrange loans, and thus enabling people to have their dream havens. Ahlan Emirate also has exclusive videographers and photographers who will put up the best portfolio for the clients.

Be it property management or turning homes into holiday homes along with building maintenance, Ahlan Emirate has a strong understanding with industry experts and can assure of excellent returns.

Listings can be made on the company website www.ahlanemirate.com by logging in with Google or Facebook or other email and then adding a listing. To get a professional portfolio done, the company can be reached on biji@ahlanemirate.com.
