

Aleksandr Dayanayev, DDS, a Dentist with Steinway Family Dental Center

Get to know Dentist Dr. Aleksandr Dayanayev, who serves patients in New York.

New York City, May 1, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Dayanayev, known to patients and colleagues as Dr. Day, is the co-founder of Steinway Family Dental Center with his partner, Dr. Albert Malakov. Located in Astoria, Queens, New York, the dental practice is committed to providing the highest quality dental care with a specialization in emergency dental care, dental implants, Invisalign, dental crowns, root canals, dental veneers, and smile makeovers.

Overseeing the day-to-day running of Steinway Family Dental Center, Dr. Day trains new members of staff regularly, ensuring the highest standards of excellence in dentistry are met and that their commitment to outstanding dentistry and dental hygiene are maintained at all times. This drive and commitment to his work is what has made Steinway Family Dental Center such a renowned and well-established practice in Astoria with patients coming from all over the Tri-state area.

Known for his relaxed attitude to patients and in helping them feel at ease, Dr. Day carefully explains the steps involved in any procedure that a patient is undertaking. He particularly likes performing dental implants, fitting and advising on Invisalign, and performing Smile Makeovers on patients with lost or damaged teeth. He is always at hand to help other colleagues at Steinway Family Dental Center.

“People with teeth live longer. But no matter how good our work is, we’ll never be as good as what God has given you... so be sure to maintain and keep your teeth” as stated by the dentist, who is a member of the American Academy of Cosmetic Dentistry.

A 1996 graduate of the New York University College of Dentistry, Dr. Day has completed several continuing education courses, including Invisalign Align Tech Institute, MIS Implants Course; The Three R’s of Rational Endodontics; Simplifying Complex Cosmetic & Restorative Dentistry. He has helped hundreds of patients over the years thanks to his extensive experience in both professional and educational dental fields.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Happily married and a family man at heart, Dr. Day is the father of three children. He and his family live in Forest Hills, Queens, New York.
