New York City, Apr 7, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Bentsianov is a comprehensive ophthalmologist in private practice in southern Brooklyn, New York City, New York. She is also affiliated with several hospitals and medical centers in the local area, including NYC Health + Hospitals - Coney Island, New York Community Hospital, and Maimonides Medical Center.

A member of the New York State Ophthalmological Society, the doctor is board-certified in ophthalmology by the American Board of Ophthalmology, whose mission is to serve the public by improving the quality of ophthalmic practice through a process of certification and Maintenance of Certification that fosters excellence and encourages continual learning. She has also been published in a number of professional journals.

Throughout her academic career, Dr. Bentsianov earned her medical degree from the SUNY Downstate Health Sciences University in Brooklyn. She then went on to complete her internship at Staten Island University Hospital, followed by her residency in ophthalmology at Interfaith Medical Center.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataract, glaucoma, and corneal surgery.

On a more personal note, Dr. Bentsianov is pleased to conduct appointments in English, Russian, and Spanish.
