

Arthur W. Hammer, MD, FACP, FCCP, a Pulmonologist with Mount Sinai Brooklyn

Get to know Pulmonologist Dr. Arthur W. Hammer, who serves patients in New York, New York.

New York City, Apr 15, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Pulmonologist Dr. Hammer is experienced in many areas of his field, including pulmonary hypertension, sleep medicine, asthma, chronic obstructive pulmonary disease, and interstitial lung disease. Recognized as a Top Doctor in the New York Metro Area, he can be found on staff at Mount Sinai Brooklyn in New York, New York.

Mount Sinai Brooklyn, a proud member of the Mount Sinai Health System, is a state-of-the-art community hospital located in Midwood, with world-class clinical services. The mission of Mount Sinai Brooklyn is to provide the residents in the major communities in the southern sections of Brooklyn with safe, high quality, and compassionate patient care.

Prior to his current endeavors, Dr. Hammer served as an attending physician at the Brookdale University Hospital and Medical Center for a period of 14 years from July 1976 until December 1990.

Born in Mexico City, he graduated with his medical degree from the National Autonomous University of Mexico in 1970. After relocating to the United States to further his training, he completed his internship and residency in internal medicine at the Brookdale University Hospital and Medical Center, followed by his fellowship in pulmonary and critical care medicine at the NYU Medical Center.

Among the doctor's most notable achievements, he is board-certified in both internal medicine and pulmonary medicine by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

A Fellow of the American College of Physicians and a Fellow of the American College of Chest Physicians, he remains a member of several professional societies and organizations, including the American Thoracic Society, the New York Trudeau Society, the American Academy of Sleep Medicine, the Medical Society of the State of New York, and the American Medical Association.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. A pulmonologist is an internal medicine physician who specializes in preventing, diagnosing, and treating conditions and diseases that affect the lungs, bronchial tubes, and the respiratory system, including the nose, pharynx, and throat.

In addition to English, Dr. Hammer speaks Polish and Spanish.
