

Bhavin Patel, MD, an Allergist and Immunologist with Allergy & Asthma Physicians of Rochester Hills

Get to know Allergist and Immunologist Dr. Bhavin Patel, who serves patients in Michigan.

New York City, Apr 24, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Patel, a board-certified and fellowship-trained allergist and immunologist, is the Founder of Allergy & Asthma Physicians of Rochester Hills with offices in Rochester Hills and Troy, Michigan.

He works alongside Dr. Achin Kim, MD, specializing in pediatric and adult allergy, asthma, and immunology. The doctor-duo provides expert and friendly care to relieve allergic and asthmatic symptoms.

Alongside his clinical role, Dr. Patel serves as an Assistant Clinical Professor at the Oakland University William Beaumont School of Medicine in Rochester Hills, Michigan. He is also affiliated with several hospitals in the local area, including Beaumont Hospital, Royal Oak; Beaumont Hospital, Troy; St. Joseph Mercy Oakland Hospital; Ascension Providence Hospital Rochester; Ascension Providence Hospital Southfield; Ascension St. John Hospital Detroit; Ascension St. John Macomb-Oakland Hospital; McLaren Oakland Hospital; Pontiac General Hospital; and Henry Ford Macomb Hospital, Clinton Township.

Pursuing an academic career, he attended the Wayne State University School of Medicine, graduating with his medical degree in 1996. He then went on to complete his residency in internal medicine at Beaumont Hospital in 1999, followed by his fellowship in allergy and immunology at Henry Ford Hospital in 2001. He served as President of the Michigan Allergy & Asthma Society from 2013 until 2014.

With a passion for his field and an unwavering commitment to his specialty, the doctor is board-certified in pediatric and adult allergy, asthma and immunology through the American Board of Allergy and Immunology (ABAI). The ABAI establishes qualifications and examines physicians to become recognized specialists in allergy and immunology. It is a conjoint board of the American Board of Internal Medicine and the American Board of Pediatrics.

The field of allergy and immunology involves the management of disorders related to the immune system. These conditions range from the very common to the very rare, spanning all ages and encompassing various organ systems. An allergist and immunologist is a physician specially trained to diagnose, treat, and manage allergies, asthma, and immunologic disorders, including primary immunodeficiency.

Among his numerous accolades, Dr. Patel is the recipient of Compassionate Doctor Recognition (2010, 2012, 2013), On-Time Doctor Award (2014, 2016), and Patients' Choice Award (2010, 2011, 2012, 2013, 2014).

In addition to English, he speaks Gujarati.
