

## CEO Andre Gerald Brings Prance Gold Holdings Limited to Greater Heights!

**Kensington, Apr 2, 2020 ([IssueWire.com](http://IssueWire.com))** - Andre Gerald is the CEO and co-founder of Prance Gold Holdings Limited. He graduated from Rice University with a Bachelor's Degree in Economics, and a Master's Degree in Computer Science, majoring in computer studies and financial investment.

After graduation, Mr Andre Gerald worked as a risk consultant at the New York Stock Exchange where he was responsible for evaluating and developing risk response plans for clients. He started his securities trading career at Bank Indonesia more than a decade ago. Since then, he has held important positions in several exchanges in the cryptocurrency field.

In recent years, the cryptocurrency industry has seen a stellar rise and Mr Andre Gerald's accomplishments in cryptocurrency investment have been outstanding. Leading a group of financial technology (Fintech) elites, Prance Gold was founded. The company's elite Technical Team spearheaded by company Chief Technology Officer Mr Hein successfully developed the original Prance Gold Algo (PGA) artificial intelligence trading platform. PGA is a high-speed, cutting-edge trading program developed for three-way cryptocurrency transactions. It simultaneously runs the data of three transactions through the PGA algorithm that identifies price differences. The platform then proceeds to execute a three-pronged arbitrage transaction to take profit and take advantage of the price difference. This is the world's only digital currency triangle profit-making technology.

As CEO, Mr Andre Gerald is responsible for leading the core founders of the company and nearly 70 employees while managing and overseeing platform-related services. Prance Gold Technology has accumulated a trading capital of USD 63.6 million in 2020 and raised reserve capital of USD 15 million. To date, the company has raised USD 108 million in total.

Since the establishment of Prance Gold, Mr Andre Gerald has not only devoted himself to generating wealth for clients but also actively seeking to collaborate with other well-known global platforms. As early as February this year, Mr Andre Gerald has been in close contact with a world-famous foreign exchange trading platform PFG for strategic cooperation and negotiation. It intends to sign a cooperation agreement in May.

Prance Gold would like to remind all clients to stay healthy in times of the COVID-19 outbreak. The company thanks all clients for their unwavering support as the company strives to serve them better by improving the security and user experience of the PGA platform.
