Get to know Urologist Dr. Clifford D. Gluck, who serves patients in Hingham, Massachusetts.

New York City, Apr 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Having been practicing medicine for more than 30 years, Dr. Gluck is a widely known urologist who is highly recommended among doctors who treat erectile dysfunction, provide incontinence treatment for men and women, and many other sexual health treatments. He is the Founder of Dr. Gluck's Wellness Center in Hingham, Massachusetts, where he

strives to deliver personalized treatments that help patients achieve their peak sexual health for a happy and fulfilling sex life.

Specializing in advanced sexual wellness and performing cutting edge procedures and techniques, like the HIFU procedure for prostate cancer, Dr. Gluck is helping to transform the landscape of sexual wellness for women and men. He is known for providing his patients with exceptional care and is certified in many advanced procedures.

Dr. Gluck is board-certified in urology by the American Board of Urology, whose mission is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, as well as to work with certified urologists to achieve lifelong learning to ensure the delivery of high quality, safe, and ethical urologic care.

In addition to being a Fellow of the American College of Surgeons, he remains a member of numerous professional organizations, including the American Urological Association, the Massachusetts Medical Society, the American Society for Sexual Medicine, the International Society for Sexual Medicine, the Society of Laparoscopic & Robotic Surgeons, the American Medical Association, the Massachusetts Association for Practicing Urologists, and the American Association of Clinical Urologists.

After graduating from Stanford University with honors, Dr. Gluck went on to study at the UCLA School of Medicine, where he received his medical degree. Thereafter, he began his post-doctoral work with an internship in general surgery at Tufts-New England Medical Center and a residency in general surgery at the UCLA Center for Health Sciences. He then completed his four-year residency in urology at the highly selective Brigham & Women's Hospital/Harvard Medical School Program, ultimately serving as Chief Resident in Urology at Brigham & Women's Hospital during his final year.

Attributing his success to perseverance, his focus now includes rejuvenating the body and mind through highly specialized wellness procedures. He is one of the few physicians in Massachusetts to specialize in Bioidentical Hormone Replacement Therapy.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, urethra, ureters, kidneys, and adrenal glands.

Recognized as an expert in his field, Dr. Gluck holds awards from America's Top Urologists (2010-2015), America's Top Surgeons (2011-2016), America's Top Doctors - Best of Boston (2016), and America's Best Physicians (2017-2018).

Outside of the office, he is an avid health and wellness practitioner. He stays busy by exercising, maintaining his Paleo diet, playing the trumpet, competing in Pro-Am dance competitions, and traveling to destinations around the world. He believes in living life to the fullest, staying active, and optimizing his health.
