

Corporate restructure completes for Digital Galiyara media websites

Digital Galiyara has completed their restructure of all News Websites

Noida, Apr 12, 2020 ([Issuewire.com](http://www.Issuewire.com)) - Just after the incorporation of DigitalGaliyara (OPC) Private Limited in March 2019, Rakesh Sharma who is a founder and managing director of the company decided to take a fresh remap and restructure of all three news websites bollywoodgaliyara.com, gadgetgaliyara.com, and newgaliyara.com.

"I am glad to announce that within a year when Digital Galiyara official took over the news websites we finally completed the restructure of the websites," Says Rakesh Sharma.

Apart from this, Digital Galiyara also manages to get officially verified all three news websites on one of the fastest growing social media app Helo and also partnered with Dailyhunt and readers can read all the news published on Bollywood Galiyara.

The next plan for this year to start video production and produce short films, web-series, and You-Tube videos.

About the company
