

Enchanting Tales of Charming Faunas Set in a Magical Place Unfolds in Author's Mesmerizing Collection of Books

Writer's artistic talent combined with experience as a teacher assistant led her to create children's books, which teach important character traits to little learners

Pittsburg, Apr 2, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Artistically-gifted and emotionally-attuned Janet Councilman releases a collection of children's books centered on lovable furry friends. The story begins in the imaginary world called Old Oak Woods, where our main character, Rocky the Raccoon, lives harmoniously with his friends— Spike the split-eared Squirrel, Tommie the Turtle, Ollie the Owl, etc. Each of the stories—*Rocky the Respectful Raccoon and His Red Sunglasses*, *Rocky and His Responsible Band of Cowboys*, *Rocky the Raccoon and His Caring Classmates*, and *Rocky the Raccoon and His Raiders vs. the Prowlers*—introduces a character trait which we learned in elementary school but are often overlooked and even forgotten.

Another equally interesting story is of Sammie the Shark. *Sammie the Shark and the Return of the Lost Gift* takes us deep down into the underwater world of Coral Bay.

Every story is a gem. Both adults and children will surely have their noses buried in the pages of the

book, as they join the adventures of our dear faunas while learning the importance of equipping ourselves with the values of life.
