

Khalil Nasrallah, MD, a Neurologist with McLaren Bay Region

Get to know Neurologist Dr. Khalil Nasrallah, who serves patients in Bay City, Michigan.

New York City, Apr 24, 2020 ([IssueWire.com](http://www.IssueWire.com)) - As a doctor who specializes in neurology, Dr. Nasrallah practices at McLaren Bay Region in Bay City, Michigan.

Part of McLaren Health Care, McLaren Bay Region is a 404-bed acute care hospital providing specialty, primary, and preventative care. It is among the nation's top neuroscience programs and is committed to providing the highest standards of neurological and neurosurgical patient care. The expert neuroscience team will assess each patient's individual needs and may recommend a neurosurgical procedure.

After graduating with his medical degree from Lebanese University in Lebanon, Dr. Nasrallah relocated to the United States. There, he completed his transitional internship and residency in neurology at Henry Ford Hospital in Detroit, Michigan.

Before long, the doctor became board-certified in neurology and neuromuscular medicine by the American Board of Psychiatry and Neurology, a not-for-profit corporation dedicated to promoting high-quality patient care for the public through the initial and continuing certification of psychiatrists and neurologists.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.
