

Khavhia Woman Launches Their Official Website

Lekki, Apr 1, 2020 ([Issuewire.com](http://www.Issuewire.com)) - Stephanie Aleye Chiori, CEO of Khavhia Woman, a fast-growing bridal fashion company in Nigeria has announced the launch of their official website www.khavhiawoman.com

Users will be able to book an appointment, check their photo gallery and browse everything about the Khavhia Woman brand.

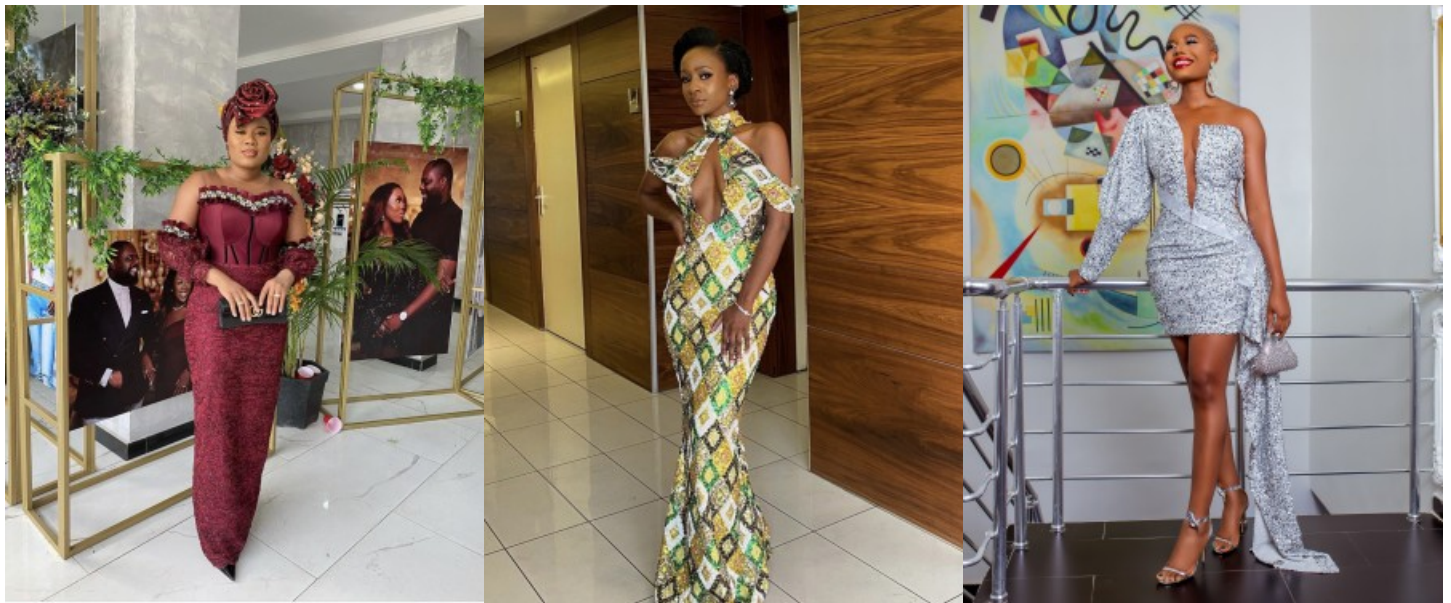

The website is launched a month before the official opening of their Lekki studio to make it easier for customers to access all the information they need about the company before walking into any of their stores for their bridal dresses appointment.
