

Local student-led Nonprofit called 'Immunize4Immunity' has undertaken a mission to assist Healthcare centers!

Immunize4Immunity will donate all proceeds from their fundraiser to collect homemade PPE to local healthcare centers. Moreover, they have started an initiative called "Corona Month," where they release weekly articles regarding Covid-19.

Ashburn, Apr 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - Immunize for Immunity is a 501(c)(3) non-profit organization founded to promote the awareness of the necessity of vaccination through public health education. Our aim is to clarify misconceptions by providing accurate information, assist the underprivileged with service events, and increase overall knowledge on the topic. Moreover, to accommodate the Covid 19 Outbreak, we have recently launched a program called 'Corona Month,' Where we create and fund-raise for homemade PPE that will be sent to healthcare centers, and release weekly articles regarding the crisis. For example, one of our recent articles explained "How the Spread of Covid-19 has Affected Asian American Racism."
