

Manel Ros move to a social program with ROSWEALTH FOUNDATION

The Italian founder of his business empire, after a multitude of achievements, decide to pay attention to his entourage.

London, Jun 30, 2020 (IssueWire.com) - ROSWEALTH FOUNDATION is structured to support members that proved loyalty and support to Manuel Ros.

After years of hard work and achievements, Manuel Ros decided to express his sensitivity to all persons that have been there for him, when others wanted to see him down. "No man can achieve what I did, being alone or acting by himself, without people and their loyalty, I could not have done what I achieved," said Manuel Ros considering his parties and collaborators "The real asset of my life," a feeling that today is the reason of his family foundation.

ROSWEALTH FOUNDATION is a vehicle part of his family Trust, managed from London headquarter, is formed by persons in charge to bring to his attention all individual problems by which members, employees, partners, and people who expressed their loyalty are privately affected from.

"I've decided to take care of the people who always believed in me. They are the part of my success, and my achievements are the result of their work and support; for this reason, I've decided to distribute part of the wealth in their support. Contributing to solve private issues or offer more smiles in their lives and families", through this expression Manuel Ros declare his intention to be there for each member present inside the group.

ROSWEALTH FOUNDATION, use only private family wealth in favors of all staff and members part of the entire organization that, with a confidential method, will have the option to express their family or personal problems to dedicate team, that with the maximum of the confidentiality, report directly to Manuel Ros each question by what every single person could be affected. Once approved, with the support of his close team, the ROSWEALTH FOUNDATION will be acting to helping the members to resolve their problems.

The foundation focus with priority on school, housing, medical issue, health program, and significant financial problems, by which a family life could be severely affected, along supporting the legal matters. The intention is only to bring as much as possible, a touch of serenity and right moment into all members, that invest their life to support Manuel Ros over his activities. A delicate move made by the founder, that uses the foundation to give back the exceptional support and loyalty received by each member daily by the expression and devotion into Manuel Ros.

Between the missions, ROSWEALTH FOUNDATION will organize several private events for all family members, where each staff will have the chance to bring his own family and children's for a day or more of pure social exchange and fun. Hard work brings positive results but must offer as well serenity, satisfaction, and gratitude, and for this reason, Manuel Ros created ROSWEALTH FOUNDATION.

The access to the foundation support is primarily dedicated to each member part of any of the companies forming the whole group worldwide. The social mission will be extended to focusing on external events and social situations that could be of interest to the task carried out by the foundation. Manuel Ros, intent to clarify the main point, ROSWEALTH FOUNDATION has been created for the benefit of all individuals that will prove loyalty and support to a Ros family.
