New York City, Apr 21, 2020 ([Issuewire.com](https://www.issuewire.com)) - Committed to giving patients the smile they have always dreamed about, Dr. Campos offers adult and pediatric dental care with an emphasis on providing the highest quality comprehensive care. She is the Founder of City Smiles Dental in New York, New York.

There, she works alongside Dr. Jane Song, providing excellent dentistry in a comfortable environment in

order to ensure great oral health and create the beautiful, healthy smile of one's dreams. She has a commitment to personalized care by taking her time to answer questions and listen to each patient's concerns.

After earning her Bachelor of Science degree from the New York University College of Arts & Science in 2001, Dr. Campos went on to obtain her Doctor of Dental Surgery degree from the New York University College of Dentistry in 2005. She decided to stay in her home state to complete her one-year of general practice residency at Montefiore Medical Center.

After gaining a tremendous amount of experience in dentistry, she decided that it was time to open her own practice. City Smiles Dental was built with her vision of a friendly, compassionate, and trusting environment. In addition to English, she is fluent in Spanish and can help communicate with multi-lingual patients.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Outside of the office, Dr. Campos enjoys spending her free time traveling with her family and cooking delicious meals.
