Get to know Dentist Dr. Maxwell Mock, who serves patients in Springdale, Pennsylvania.

New York City, Apr 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - Specializing in general and cosmetic dentistry, Dr. Mock is a third-generation dentist who tends to patients' dental needs at Dr. Mock, Associates in General Dentistry in Springdale, Pennsylvania. There, he practices alongside his father, Dr. David Mock, DMD.

Offering a comprehensive list of general, restorative and cosmetic dental services to meet the needs of the whole family, the father-son duo remains dedicated to providing each patient with the personalized, quality dental care that they deserve. Their goal is to assist each patient in achieving and maintaining long-term dental health and a beautiful smile.

Skill and compassion go hand in hand when providing exceptional patient care. For this reason, Dr. Mock stays up to date on the latest advancements in dentistry and regularly attends continuing education courses in all areas of dentistry in order to provide the most current treatment options for his patients. As a dental professional, he recognizes that his patients are unique individuals who have placed a great deal of trust in him and his team, which is just one of the reasons why he values every patient relationship.

After earning his Bachelor of Science degree from Washington & Jefferson College in 2011 and his Master of Science degree in Human Sciences from Chatham University in 2012, Dr. Mock went on to obtain his Doctor of Medicine in Dentistry degree from the University of Pittsburgh School of Dental Medicine in 2017. After graduation, he joined his father's practice.

With a commitment to his specialty, he remains a member of the American Dental Association, the Pennsylvania Dental Association, and the Allegheny-Kiski Dental Society. He is a certified provider of the Invisalign Orthodontic aligners as well as Zimmer and Hyossen dental implant surgical systems.

Dr. Mock serves as Deputy Director of the Delta Sigma Delta international dental fraternity and is a leader for the University of Pittsburgh School of Dental Medicine students. Among his philanthropic endeavors, Dr. Mock has been chaperoning dental students down to the Dominican Republic and teaching them hands-on dental skills as part of the Bright Island Outreach Mission Trip since 2016. He has also been working in extraction, prosthodontic and triage areas, assisting dentists in multiple disciplines, as well as providing free dental services to individuals and families as part of the Mission of Mercy since 2017.

Each year, Dr. Mock and his father have continued sponsoring two college scholarships at Springdale High School for seniors interested in pursuing a degree in a healthcare profession.
