

Meet one of the youngest Social Media Entrepreneur Sanjay Kumar Gupta and Founder Of Vetwe Media.

Meet the founder of Vetwe Media Sanjay Kumar Gupta known as a big giant in the social media industry for his ultimate success in the digital era. At the age of 19, he achieved the goals that many people dream

New Delhi, Apr 12, 2020 (Issuewire.com) - There is no denying the fact that India has emerged as a significant market for the auto industry. The global manufacturers are making cars suited for the local buyers. Hence, vehicle sales grew at a healthy pace. However, there is a shortage of portals providing

guidance and genuine feedback. Reading the pulse of the market, **Sanjay Kumar Gupta** Co-founder of **Autofreak.com** launches a new Company, [Vetwe Media](#).

Do you know what the problems here are? After spending a huge amount of money and years but still getting a good job is a major issue for all India youth. To solve this issue to some extent a young who was a Backbencher during his time, came forward through digital platform.

Sanjay Kumar Gupta was born in a middle-class family, He is a Delhi based youth and his name is **Sanjay Kumar Gupta** a 19 years old entrepreneur, he belongs to the middle class family. His mother's name is Mrs. Manju Gupta, and his father's name is Mr. Inder Gupta. His Sister Aarti Kumari Brother Sunny Kumar And Ajay Gupta. Since childhood his vision was clear to big in life and helps the community as his father. He is mad about cars, he used to know whenever it sees a new car and asking a technical question from the driver. While he was in high school, one of his teachers introduced to the internet and he never turned back. This was the major breakthrough in his life.

Sanjay was a creative soul; he did not take the traditional idea of excellent academics and a stable job; instead, he opted for a course in printing technology. Sanjay joined the Pusa institute of technology after completing his 10th standard in 2016. Sanjay and his college mate brainstormed on the social media business opportunities and were convinced to make a foray in the digital media. Sanjay was inspired by the founders of an e-commerce giant, notably Jack Ma,

In the year 2016, he buys his first laptop after the struggle for 4 months. While reading a car review article on a website his best friend Anoj Kumar insisted him to make his own website and write his own reviews.

Why Nowadays Youth seem so helpless and Jobless? Even huge number of youth are educated or planning to complete courses like B.Tech, general graduation and even some going for Master's courses M.B.A, M.Tech and other. Some of them take opting specialization courses.

In search of making a website he visited many institutes but his financial can't afford the fees. He again turned himself to the internet and start digging millions of websites and online free video tutorial to learn. After learning how to make website and also learned digital marketing he became Co-Founder of first website autofreak.com. In a very short span of time it became very famous and very popular in social media. Recently [Auto Freak](#) Facebook page has crossed 2.7 million and 2nd largest automobile page in India. To manage his website he also hired many to youth and generates employment.

While managing autofreak.com he was approached by many organizations for digital services, to serve them better and generate more employment for the youth **Sanjay Kumar Gupta** established an organization and became the Founder of [Vetwe Media Private Limited](#).

While in a recent conversation with a media person in Delhi "He said my aim is to take our Prime Minister dream project Digital India to next level". **Sanjay Kumar Gupta** has expanded his wings apart from the automobile industry. He recently launched some new projects [FinanceRewind.com](#), [Gamerrewind.com](#), Nonstoptimes.com and [Memestic](#) a Facebook page under the banner of [Vetwe Media Private Limited](#). To manage this project a huge task force needed, to this his HR team approaching colleges and hiring an eligible candidate and giving expert training and generating more and more employment.
