

Mobile Sports Game Bowling Star: Strike Rolls Out Today

Seoul, Apr 20, 2020 (IssueWire.com) - Publisher and mobile game developer FourThirtyThree Inc. (4:33) today announced that it has soft-launched its latest mobile sports game *Bowling Star: Strike*. Now available on the Google Play Store in Sweden, Singapore, and India, players in these regions can experience a new mobile sports game that's sure to bowl them over in excitement!

Bowling Star: Strike is a real-time, multiplayer casual sports game developed by FourThirtyThree Inc (4:33). With intuitive tap-and-swipe controls, this revolutionary bowling game features real-time one-on-one matches with players all over the world.

Bowling Star: Strike also offers over 20 different bowling balls, unique lane themes, and energetic theme music. Combined with easy controls and various ways to customize the game's experience, players can tailor their experiences with *Bowling Star: Strike* so that it is right up their alley!

Bowling Star: Strike shares some of its gameplay features and concepts with *Boxing Star*, FourThirtyThree's highly successful casual boxing game. This developer's latest title offers a variety of attractions in the venues that extends the range of this game beyond bowling, and it also many of the popular features and friendly characters are seen before in *Boxing Star*. But whether players are familiar with the two titles or not, the soft launch of *Bowling Star: Strike* is sure to be a hit with the crowds!
