

NFY Interactive, Inc. an Austin, TX Internet Marketing Company launches Google My Business Optimization Guide

A new Google My Business Optimization Guide that dramatically improves the LOCAL SEO for businesses online.

Austin, Apr 6, 2020 ([Issuewire.com](https://www.issuewire.com)) - NFY Interactive, Inc. an Austin, TX based Internet Marketing Company launches a new Google My Business Optimization Guide that dramatically improves the LOCAL SEO for businesses online.

Small and Medium-sized businesses now have a guide; which walks them through the process of optimizing their Google My Business profile and provides valuable samples, tips & tricks and more.

Since 1999, NFY Interactive, Inc. has provided internet marketing and web development to businesses of all sizes. The strategies have helped build small brands into household names and create equity which has led to buyouts.

The new guide focuses on leveraging Google My Business' FREE business profile. With a step-by-step approach; businesses can optimize their GMB listing and increase their exposure online considerably.
