

Perry Frydman, DDS, a Dentist in Private Practice

Get to know Dentist Dr. Perry Frydman, who serves patients in Stamford, Connecticut.

New York City, Apr 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Frydman is a skilled dentist who specializes in family, cosmetic, and implant dentistry at his private practice in Stamford, Connecticut. He sees patients of all ages, from small children to retired folks, and provides the highest standards of dentistry, from the latest cosmetics to caring for medically compromised and the disabled.

“Our goal is simple. We wish to form long term relationships with our patients. How do we do this? We see that your trust in us is an obligation to provide you with the highest quality of service available. We fulfill this through our commitment to empathy, quality, a wide range of services in our office and affordability. This is our mission to serve you.” as stated by the dentist, whose concern for dental health is his motivation and his goal.

In the early days of his academic career, Dr. Frydman earned his Doctor of Dental Surgery degree from the University of Texas Health Science Center at San Antonio. Now, with over three decades of experience in his field, he prides himself on his affiliations with Norwalk Hospital, Stamford Hospital, The Dental Lifeline Network, and the Trudi Berger Dental Clinic in Jerusalem.

In addition to being a Fellow of the Academy of General Dentistry, he serves as an Editor Staff Reviewer for General Dentistry, which is a publication of the Academy of General Dentistry. He is also a Clinical Investigator with Dentsply Sirona and an Educator at Norwalk Community College.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Happily married, Dr. Frydman is a proud and loving father of five very accomplished and talented children. He lives in Norwalk with his very talented wife, Tammy, and their dog, Jack.
