

Rapper Lil'Qua Wins Over the Music Industry with his Latest Releases on Spotify

The latest musical collection of Lil'Qua is already a hit among the mass. The tracks of this album have amassed a huge number of fans for this amazing artist.

Rock Hill, Dec 31, 1969 (Issuewire.com) - Seeking a real connection with the audience, the famous hip hop artist **Lil'Qua** emerges to enchant the audience with his latest album. The progression of all the elements and the vocal performance of the artist has brought back the golden days of hip hop. Engineered under the label name of Kuntrybandz, the album '**Sauce Drippin 2**' consists of 14 tracks, all of which are amazing. From the introductory track '**Born With A Gift**' to the track '**Us**', each has its own aura.

However, there are four tracks that have been able to cast a significant impact on the minds of the audience, one of which is the track **‘Wit My Gang’**. Focusing on the melody of the genre and the musicality, this track is certainly the highlight of the entire collection. Another track is **‘Mistake’**, which is undeniably supreme, in terms of its structural development. The lyricism pours out of the musical bowl, keeping the listeners hooked throughout the track.

The characteristic development of the track **‘GamePlan’** showcases the pure artistry of the creator, who has put all his efforts. However, the intensity rises, with the beginning of the track **‘Schemin’**, which just amplifies the ambiance around the track. This track makes you feel that there is a strong connection between the artist and the listeners that is unbreakable, which is the most satisfying part of it. People can listen to more from **Lil’Qua** through his profile on **Spotify**. And, to know about his upcoming projects, fans can follow him on [Facebook](#), [Twitter](#), and [Instagram](#).
