

REMAR GROUP confirms its performance expanding the activities

The company announces new five commercial offices, bringing to ten it's direct commercial units controlled from the new headquarter in New York.

New York City, May 25, 2020 ([Issuewire.com](https://www.issuewire.com)) - REMAR expresses dynamism, delivers consistently performing results due to the strategies adopted, said Manuel Ros.

The expansion achieved by the investment company, confirm the successful strategies adopted by its Founder Mr. Manuel Ros, expressing his happiness and satisfaction knowing all REMAR's investors will receive more benefit. The film highlights an improvement in financial results, investment options, and products, "a strong answer for the loyalty and trust they express for years, investing their equities into REMAR," said Mr. Manuel Ros.

REMAR GROUP is the financial institution formed by several subsidiaries, operating between the most strategic areas of the world's financial industry, proposing customized investment solutions for all types of interests and capabilities. The portfolio is going from equities investment products to properties, commodities, petroleum, securities, start-ups projects along with a great concept actually under development for the FX Trading sector.

Part of REMAR is present two Private Funds located, in Jersey and Cayman Island's, along with all equities collection offices worldwide. Each of them in charge of selling investment opportunities, targeting various categories between wealthy private individuals to corporate financial entities, including Government bodies.

REMAR is growing more, with the opening of further extra n. 5 commercial office units, in Paris, Geneva, Frankfurt, Moscow, and Beijing, the direct network reach Ten branches. The business network group other Forty-three external and independent investment companies present over the same single countries, acting as commercial agents in charge to propose REMAR investment solutions to their own clients.

The corporate expansion is characterized as well by the recent move of the headquarter from London to New York set on an entire floor, part the FINSOR HOLDING headquarter. Mr. Manuel Ros has expressed the intention to create strong synergies bringing all companies' head office inside the FINSOR, creating a real global worldwide headquarter where are now joined all activities relates to the business he built.

"REMAR head office to New York represents more efficiency, control, performance and low risk of mistakes, a responsibility that must be delivered when we manage somebody else capitals," this is how Mr. Manuel Ros, explain his decision.

"The firm represents now a prestige, investing in REMAR, is like be part of an exclusive wealthy club, where not everybody can be part of it," said the Founder. The future development positioning REMAR to support all other "sisters" activities, with the mission to improve mutual performing synergies in favor of the global organization.

A dedicated body with the identity of REMAR SECURITIES is under creation in the heart of Wall Street. It will be formed by a specialized team dedicated to deploying all securities activities. Mr. Manuel Ros

wanted to create a stock market cash machine offering dedicated solutions for high yield and managed by top financial brokers coming from the best world's stock platforms.

After so many years of activities and excellent results, REMAR GROUP, deserve the position between all industry's leaders in force of the aggressive development performed.
