Robert G. Buis, DC

Licensed by the National Board of Chiropractic Examiners and the State Board of Chiropractic Examiners of New Jersey, Dr. Buis is a Full Spine Diversified and Upper Cervical Palmer Specific Practitioner. He conducts all adjustments by hand.

A member of the Association of New Jersey Chiropractors, he has worked with Life University Center for Optimum Health and Performance and Life University Outpatient Clinic.

As for his educational background, Dr. Buis completed his undergraduate degree with a focus on pre-medicine, nutrition, biology, and psychology at Monmouth University in West Long Branch, New Jersey in 2013. He then went on to earn his Doctor of Chiropractic (DC) degree from Life University in Marietta, Georgia in 2017, after which he embarked on his professional journey.

Dr. Robert T. Buis, DC

Dr. Buis is a Full Spine Diversified and Upper Cervical Palmer Specific Practitioner. He specializes in pediatric chiropractic specific spinal technique adjustments, performs X-rays on the premises, and conducts all adjustments by hand. Having been in practice for over three decades, his practice currently consists of 2,500 active patients.

After completing his undergraduate degree (pre-medicine, pre-chiropractic) at Bloomfield College in New Jersey in 1983, Dr. Buis went on to earn his Doctor of Chiropractic (DC) degree from Life University in 1986. He served his internship at the same educational venue from 1984-1986.

Licensed by the National Board of Chiropractic Examiners, the State Board of Medical Examiners of New Jersey, and the State Board of Chiropractic Examiners of New Jersey, he is an active member of several professional organizations, including the International Chiropractors Association, the International Chiropractors Council of Chiropractic Pediatrics (founding member), the Council New Jersey Chiropractors (founding member), the New Jersey Chiropractic Association, and the Association of New Jersey Chiropractors.

With a commitment to his speciality, Dr. Buis has lectured at Life University, has published two research articles for the International Chiropractic Association and the Council for Chiropractic Pediatrics, as well

as has been accepted as an expert witness in Chiropractic and Chiropractic Pediatrics. He has also traveled to Costa Rica with First Shot Soccer Academy as the team doctor, as well as has worked with Indian Hills High School's Soccer Teams.

Listed in Who's Who in Chiropractic and in Oxford's Who's Who in Business Professionals from 1992 through the present, he attends seminars at the ICA conference on Chiropractic Pediatrics and Risk Management annually.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain and back pain. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself without the use of medication or surgery.
