

Spokes Digital to Host an Interactive Webinar "Cannabis and CBD Product Marketing 2020"

Pleasant Hill, Apr 28, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Spokes Digital Inc.](https://www.spokesdigital.com), a leading digital marketing agency in California, is continuing its webinar series with **"Cannabis and CBD Product Marketing in 2020"**.

When: Thursday, April 30, 2020, at 10 am PDT

Where: [Register Here](#)

Cannabis and CBD Product businesses are facing unusual challenges due to several advertising restrictions, and we are here to help. We want to share our experience and expertise in the Cannabis and CBD Product industries. During this lockdown, now is the perfect time for companies like yours to leverage your online presence, start campaigns, and increase revenue in 2020.

Please join our host speakers Varun Patel, Founder & CEO, and Lauren Laplante Rottman, CGO of Spokes Digital, Inc. who will discuss:

- Digital marketing strategies specific to the Cannabis and CBD Product industries
- Advertising do's & don'ts
- What has changed and will continue to change

Speaker Bios:

Varun Patel

As founder and CEO, Varun is driven to help clients succeed and grow revenue through Spokes Digital marketing solutions. He decided three years ago to dedicate his company's digital marketing services to the Cannabis & Hemp/CBD Product industries.

Lauren Laplante-Rottman

As Chief Growth Officer, Lauren provides strategic focus to Spokes Digital and our client relationships. She brings broad business consulting experience and a personal passion for the Cannabis and CBD Product industries.

About Spokes Digital, Inc.
