

Spring Valley, New York Up and Coming Rap Artist YBK

Spring Valley Up and coming rap artist, YBK is the next independent artist that's on the major grind to becoming the next Star.

Spring Valley, Apr 7, 2020 (Issuewire.com) - This is the name that everybody should be on the lookout for, this is the name that everybody should know when other people chant it, this is the name that will be on every billboard across the world... and that name is **YBK**. **YBK** is a young rapper from a little town called Spring Valley Located in New York. He sure isn't the only rapper in spring valley but is by far one of the best that's coming out of spring valley right now. This young man got a sound... a sound

where it's so catchy you just cannot stop listening to it. With the way he raps, he raps in a Melodic tone where he adds that to all sorts of beats such as Trap Beats, pianos, guitars, acoustic, etc.

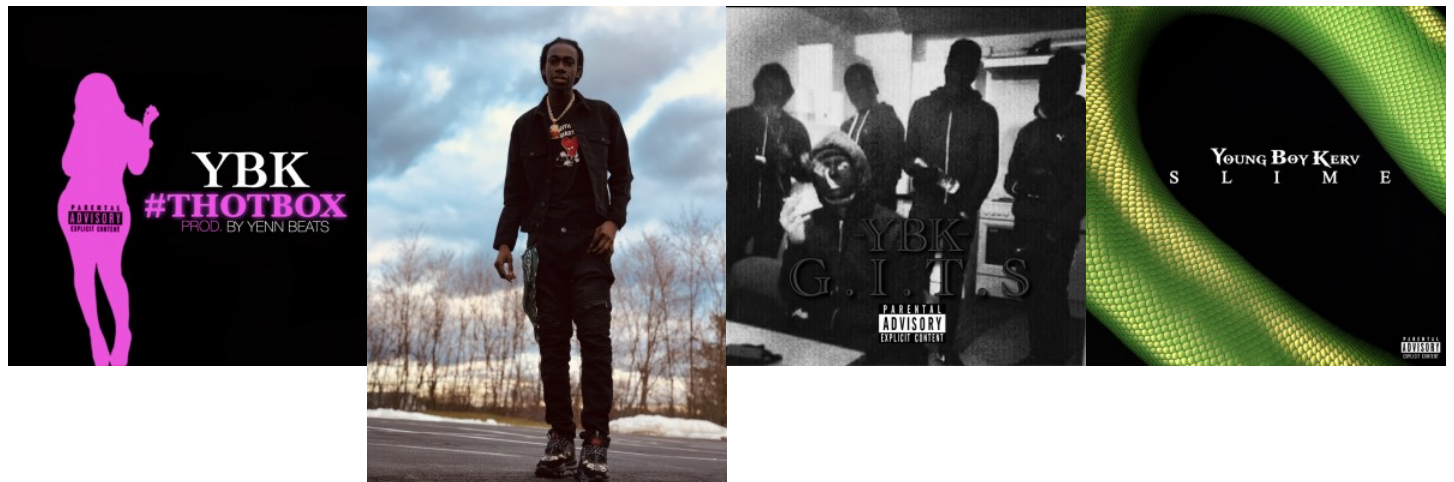

YBK been releasing music since late 2017. From there his journey as an artist begins. By the way, this young man raps, it sounds like he just speaks on a beat, where the flow of his raps is outstanding and the way his voice enters your ears that touches your soul. You can tell he's just speaking his mind and expressing his feelings on certain things that happen to him in his daily life. **YBK** released a couple of tracks this year that is hitting a good amount of numbers. His hottest track right now that is going viral worldwide right now is "*SLIME*". His latest tracks he released this year was "*G.I.T.S*" and "*THOT BOX*". If you want to feel the blending of these beats and melodies together Listen to these right now Streaming on every platform.

YBK, the name that you will remember, the name you will see on billboards, the name you will hear on radio stations, the name that will be Next. The new era of music has begun ladies and gentlemen, which involves melodies in trap music and I can sure say **YBK** is most definitely in the era. **YBK** is proving to you all right now that he deserves to TOP THE CHARTS. He's showing you he can give you all that you want. This Young Man is not to be slept on. He's Talented to the extreme. If you want to see more and hear more of **YBK**, Follow him on his Instagram profile and continue to listen to all his tracks that are out on SoundCloud, Spotify, Apple Music, Pandora, ETC.
