

The Proche Announces Its Media Partnership With RenewX

RenewX is a leading exhibition on renewable energy in India

Gurgaon, Apr 25, 2020 ([IssueWire.com](https://www.issuewire.com)) - [The Proche](#), a core technology publication (Online) announces its media partnership with RenewX, a leading exhibition on renewable energy in India. As a media partner, Proche will be promoting the exhibition on its digital assets including website, social handles, and newsletter. Proche will be covering the live event.

Being a technology publication, Proche as partnered with several events from IoT, AI, and Blockchain. They have shown their presence in IoTShow, IoTNext, AI, and IoT Vision. We are seeking for media partnership opportunities worldwide, added Reeta, an editor at Proche.

[RenewX](#) is a flagship event of Informa Markets in India (formerly UBM India), India's leading exhibition organizer, dedicated to helping specialist markets and customer communities, domestically and around the world to trade, innovate and grow through exhibitions, digital content & services, and conferences & seminars.

Every year, we host over 25 large scale exhibitions, 40 conferences, along with industry awards and training across the country; thereby enabling trade across multiple industry verticals.
