

# Very New Lansinoh Smartpump Double Electric Hospital Grade Breast Pump

Hospital Grade BPA Free Lansinoh Smartpump

**New York City, Apr 10, 2020 ([Issuewire.com](http://Issuewire.com))** - The all-new [Lansinoh Smartpump](#) is the best BPA Free Double Electric Breast Pump in Lucina Care's range of hospital grade breast pumps.

It's Comfortable, Easy & Convenient. The Lansinoh® Smartpump Double Electric Breast Pump gets customizable settings including 3 pumping styles and 8 suction levels to maximize your milk collection. It automatically connects to the Lansinoh® Baby app on your smartphone to constantly track your pumping sessions.

The Lansinoh® Smartpump Double Electric Breast Pump is a very smart choice for busy & working mothers. It's easy to use in every environment from the bedroom to the office. The Lansinoh® Smartpump brings convenience right to your fingertips! When you are pumping several times a day,

comfort is the key to keep going. The Lansinoh® Double Electric Smartpump also features soft and flexible ComfortFit® flanges that hug your curves for an ideal suction and for a perfect fit. As every mommy and baby are unique, its 3 different pumping styles and 8 suction levels allow you to better personalize your pumping sessions to match your baby's demands and your feeding patterns for at most comfort and increased efficiency.

***Key Features:***

- Unique, soft, and flexible ComfortFit® flanges
- 3 pumping styles to easily mimic your baby's natural feeding rhythm
- Connects to your smartphone and the Lansinoh® Baby App for tracking, reminders and expert tips
- Hygienic closed system helps prevent milk back up into the tubing and easier cleanup
- 8 suction levels to let you adjust and choose the perfect level of suction strength
- LCD back-lit display screen is easy to read and convenient for low light conditions such as the bedroom
- A lightweight device with a portable design
- Can be used as a single or double breast pump
- Pump directly into Lansinoh® milk storage bags
- Dishwasher safe and easy to clean
- Includes AC Adapter or can be used with 6 AA batteries for on the go pumping (batteries not included)

Why do mothers love to use a [Lansinoh SmartPump](#) and not the regular Lansinoh or other non branded breast pumps? It's because it's such an amazing package that offers; so much of convenience during the usage; is easy to clean so not much mess; is reliable with high-quality material and a good working machine inside it, and it comes with a 1-year warranty.

There are many working mothers who have been having an amazing experience using a Lansinoh Smartpump. Many mothers qualify for a breast Lansinoh SmartPump via Aetna insurance order only to save their money while also being assured and insured.

The best part of getting a free Lansinoh breast pump from [Lucina Care](#) is that you also get free extra kit/hands and extra cups, and you also get free next day shipping. Not just that, you also get 24/7 customer service to get assistance on choosing the best breast pump for your feeding needs.
