

With Arihant Ambar, Start a New Journey of Comfortable Living

Arihant Ambar residential project is coming up with 2 and 3 BHK apartments in sizes 995 to 1440 square feet approximately. Greater Noida West is one of the most sought-after locations to purchase affordable homes.

Noida, Apr 17, 2020 (Issuewire.com) - Despite the slowdown in the property market of Delhi-NCR, reputed builders are coming up with both luxurious and affordable residential projects. It is because the real estate developers know that their projects always get a good response from prospective homebuyers. Thus, they do not mind taking the risk and keep launching new residential projects. One of the builders, Arihant Group, is coming up with many projects in Greater Noida West and recently it announced the launch of a residential project – [Arihant Ambar](#).

Peculiarities of RERA Approved Project

The residential project is coming up with 2 and 3 BHK apartments in sizes 995 to 1440 square feet approximately. The best feature of the project is it falls under the ready-to-move-in category, therefore prospective homebuyers will get immediate possession of their projects. Spread over 3.75 acres of land, the [Arihant Ambar Noida Extension](#) are eco-friendly homes and promoting the sustainable living of residents. The developer aims at giving special focus on the home interiors so that residents can feel the luxury as soon as they step inside the homes. Vitrified tiles and marble flooring, AC in a master bedroom, semi-modular kitchen with chimney and hob, spacious lobbies, etc., are some of the peculiar interior specifications of the project. The luxurious amenities of the project are swimming pool, kids' play area, gymnasium, cricket and badminton court, yoga deck, etc.

Connect with Entire Delhi-NCR

Greater Noida West is one of the most sought-after locations to purchase affordable homes. The vast stretch of greenery and easy access to social and civic amenities make it one of the best areas to live a peaceful life. [Arihant Ambar Greater Noida West](#) in sector-1 is positioned strategically offering excellent connectivity to NH-24 and Noida-Greater Noida Expressway.
