Shenzhen, May 11, 2020 (Issuewire.com) - It's no doubt that mother is one of the most respected people in the world, who take care of their kids as well as repeating the chores for family day after day. Therefore, Leawo Software decided to launch a meaningful activity - [freebies & Specials for 2020 Mother's Day](#) to express their gratitude to great mothers, which lasts for one month from May 10, 2020, to June 10, 2020.

Notably, Leawo Music Recorder, one of the best-selling products is at a 30% off discount right now, people could purchase this tool for a lifetime license at the price of \$20.99 instead of \$29.99. [Music Recorder](#) is an outstanding program in terms of recording online/offline music compared to competing software on the market. Using this professional recording tool, people can save any podcast, song, or any audio file while preserving 100% of the original quality, for instance, they are able to record BBC radio or [podcasts on iHeartRadio](#) as well. Furthermore, this application was designed with users in mind, people will not need advanced computer knowledge as it requires a simple operation and has a modern interface. With this software, Users can record from the microphone and built-in audio streams like DTS X, Dolby Atmos, and many more with ease.

Beyond that, Leawo Music Recorder also provides a practical way to help perfect music info automatically (such as song artist, song album, song album artwork, song name, genre, year, etc.) as well as managing recorded music files easily (including playing and previewing recordings, adding, editing or deleting playlist for recordings). What's more, people can also edit music tags manually with the built-in editing function of Leawo Music Recorder.

People who purchase this software could save \$9 directly during the period of May promotion, and there
