

Bath and Kitchen Experts Announces Expanded Service for Chicago, IL home owners

Home remodeling services with a customer focused mission

Chicago, May 22, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Bath and Kitchen Experts](#) offers a comprehensive range of remodeling services, including kitchen remodeling, [bathroom remodeling](#), and home additions. They are pleased to announce the release of an upgraded website for a seamless customer experience that provides in-depth information about past project successes. When it comes to residential renovations, the experienced team at Bath and Kitchen Experts in Chicago, IL works closely with all clients from start to finish.

A spokesperson for the company, Pawel Jankowicz, said, "At Bath and Kitchen Experts, we're excited to work on any kitchen, bathroom, or home addition, no matter the size and scope of the project". With their decades of experience, there's no project too big or specialized they haven't already completed.

They have a solid reputation as seen in dozens of [online reviews](#) in places like Google and Facebook. With so many satisfied customers, they are excited to take their design and construction know-how to Chicago area residents. Pawel Jankowicz recently expressed his goal as a company which is to help households accomplish their remodeling goals and enjoy the process of creating a new vision of their home.

Because of the need for transparency in the industry, they don't use any high-pressure sales tactics or bait and switch pricing. They give each of their potential clients honest and upfront pricing. One of the common complaints in the remodeling industry is lack of transparency. [Bath and Kitchen Experts](#) have put the customer first in a big way.

Pawel Jankowicz is blazing a new trail for home renovation contractors. With expanded services into the heart of Chicago, exciting time is ahead. His company, Bath and Kitchen Experts is located at 415 Busse Rd. Elk Grove Village, IL 60067.
