

Dave Ramsey Organization announces Asa Lakeman, CFP®, CFS of Lakeman Financial as a Smartvestor Pro

Grand Rapids, May 2, 2020 ([Issuewire.com](https://www.issuewire.com)) - Outstanding client service, ethics, and professionalism have enabled Asa Lakeman CFP®, CFS Financial Advisor and President of Lakeman Financial, to achieve a position as a SmartVestor Pro by the Dave Ramsey organization.

To attain the SmartVestor Pro status, financial professionals must agree to a code of conduct, provide a high level of investing guidance and have the heart of a teacher, not the attitude of a salesman.

"I'm passionate about the Ramsey principles," Lakeman said. "The principles of Dave Ramsey are something greater than myself and it is my mission to help others get out from the burden of debt, invest for the long term, and achieving the ultimate goal of living and giving like no one else!"
