

Dr. Wassim Bouzid In Algeria Is Now A Spectrum Key Opinion Leader

San Francisco, May 16, 2020 ([Issuewire.com](https://www.issuewire.com)) - Spectrum Lasers has announced orthodontist Dr. Wassim Bouzid from Constantine, Algeria is now a Key Opinion Leader for the company.

“We feel privileged that he is part of our team,” said Bob Cobley President of Spectrum Lasers. “Dr. Tom Pitts and Dr. Duncan Brown call Dr. Bouzid one of the top 2-3 orthodontists in the world”.

About Dr. Bouzid

Dr. Wassim Bouzid is an Algerian board-certified Orthodontist with a private practice in Constantine, Algeria.

Dr. Bouzid has studied all over the world, he received his doctorate of dental medicine from Constantine University in 2007, following his dental school graduation. Dr. Bouzid completed his 3-year residency in orthodontics and obtained his master's degree in orthodontics and dentofacial orthopedics from Wuhan University in China.

Dr. Bouzid was a member of the second Pitts Masters Program and has published multiple articles in orthodontics (AJODO, Chinese journal of clinical stomatology),

Currently, Dr. Bouzid is one of the world-renowned teachers on Pitts philosophy, the international speaker in orthodontics, dental esthetics, smile design, and temporary anchorage devices, he has lectured in these topics in more than 20 countries.

He goes beyond straight teeth to create the most aesthetically pleasing smiles.

About Spectrum Lasers Inc.

Spectrum lasers are manufactured by laser physicist Dr. George Bekov (PhD) in San Francisco since 1998 with over 30 years of experience manufacturing and developing medical and LASIK surgery lasers.
