Akron, May 18, 2020 (Issuewire.com) - After starting construction January 2020, Macaron Cafe Fairlawn in Summit Mall, announces a Saturday, May 16th, 2020 opening date after delays due to the nation's pandemic. The company's European Inspired Café brings a taste of France to Ohio. Chef Rogers shared her excitement and passion for creating elite pastries sparked by her international travels and culinary training over the years. She shared how the concept started which was over a cup of coffee, and inspired by her cousin Keith Norman, Head Chef/ Author Allergen Awareness. She found a demand for clean, all-natural foods in which her product line was formed providing Licensed Kosher, Vegan, and Gluten-Free dessert with friend Chef Laura. Her companies offer Authentic French Macaron, and other fine desserts produced daily from the best locally grown products. The companies menu has expanded including Ice Cream, Sundaes, Salads, and Espresso Ice Cream Beverages. The cafés décor is simple but sleek and is grounded in 19th-century French monture (i.e., gathering). While surrounding customers by French-inspired arts, high ceiling unique lighting. The café offers seating

depending on location with free Wi-Fi.
