

# Forbes Names Ziggle Tech Among America's Best Startup Employers for 2020

Ziggle Tech, an award-winning design and development agency, has been named among the best startup employers in the USA for 2020.

**New York City, May 4, 2020 ([IssueWire.com](https://www.issuewire.com))** - Ziggle Tech, an award-winning design and development agency, has been named among the [best startup](#) employers in the USA for 2020.

This award is prepared by *Forbes* in collaboration with analytics firm Statista annually based on an analysis of over 7 million data points in the areas of employee satisfaction, employer reputation, and company growth. Ziggle Tech is among 500 companies who received this prestigious recognition. Over 10,000 companies were considered for this award.

"We are honored to be recognized by Forbes as one of the best startup companies in the U.S.," says Rocky Panjwani, President and Chief Business Development Officer of Ziggle Tech. "I would like to recognize that without our dedicated and customer focussed employees this would not have been possible." he further added.
