Jaipur, May 22, 2020 (Issuewire.com) - CAknowledge.com, a one-stop portal for students, Started way back in 2014, We are a team of hard-working professionals and enthusiasts in various fields of education and technology who together to make our mark in the field of education and what better success can feel if only we can groom life of budding professionals - Young India! now provides the latest updates and preparation material for entrance exams. Whether a student is appearing for ICAI, ICSI, ICMAI, medical, engineering, law or any other entrance examination, CAknowledge.com provides information about the registration dates, National, state-level entrance exams and admission updates, queries and latest news about schools exams, colleges and universities. Approximately, more than a million users visit the website on a daily basis to get important information about various national and state-level exams. The portal was started in 2014 and aims to provide students of all levels of free and authentic access to the latest information that will benefit students.

This is what drives our endeavour, caknowledge.com. We not only aim at spreading education in far-reaching areas by making use of the technology but also aim at providing needed guidance at all stages of educational career. Our services are well structured to providing end to end solutions to help you reach the desired destination or in other words, what we all aim to achieve, a fabulous start to a professional career.

Welcome to CAknowledge – A community of Finance bloggers who are popularly known as “Investors”! These are bloggers who are **living an internet lifestyle** or are currently moving in that direction. In addition to keeping a track of the important dates, students appearing for different examinations can also get access to previous year question papers. The question papers help students test themselves about their strengths and weaknesses by attempting the olympiads, mock entrance tests and much more. Students can also get access to an unlimited pool of study material prepared by the experts exclusively for the entrance exams. The best part is all the information and mock test papers are available without any fee.
