Anantapur, May 7, 2020 (Issuewire.com) - The World Forum for Education along with Bharatiya Engineering Science & Technology Innovation University has initiated a series of webinar programs that focus on the adoption of technology in education and the sharing of best practices.

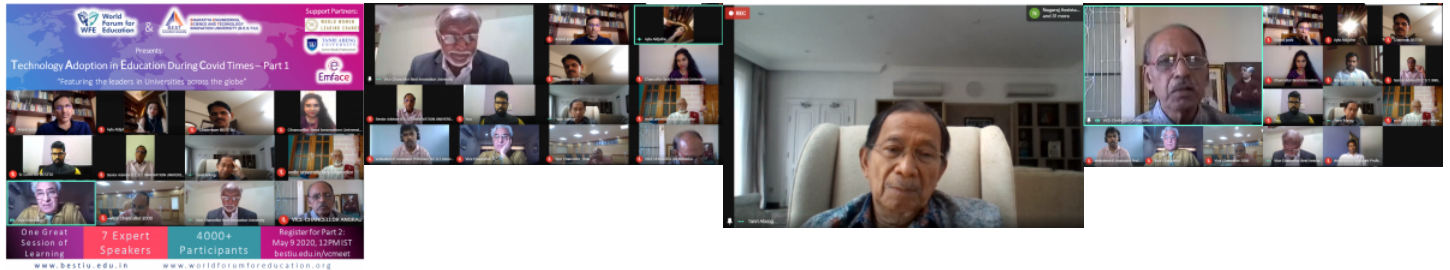

The Webinar was attended by 4000+ participants and it highlighted the urgency of exposure of faculty towards digital applications with suitable portals and platforms to match the industry needed entrepreneurial demands. A high degree of optimism in the institutional systems leading to transformation from traditional stream toward the technological platform was thoroughly brought out by lead speakers. Keeping readiness on Job streaming with skill-oriented courses for self-employment suggestion was quite imperative.

The event was hosted by Dr. Rupa Vasudevan (Chancellor, BESTIU) who started by speaking on the difficulties ahead of us and how BESTIU has been an example in technology adoption. The complete list of eminent panellists include:

Dr. D L Maheswar, Vice-Chancellor, BEST IU (Ex VC UHS Bagalkot) - Moderator
Dr. Pak Tanri Abeng, Founder, Tanri Abeng University, Indonesia
Dr. V Damodara Naidu, Vice-Chancellor, ANGRAU, Andhra Pradesh
Dr. Mahadev B Chetti, Vice-Chancellor, UHS Dharwad, Karnataka
Dr. Kamal Kant Dwivedi, Vice-Chancellor, ITM University, Madhya Pradesh
Dr. Sudarsana Sarma, Vice-Chancellor, SV Vedic University, Andhra Pradesh

Dr. Ayla Aldjufrie, President, WWLC, Indonesia, Founder GPBTC

The learning from the series of webinars will be documented and shared with the education community worldwide. The next webinar in the series is scheduled on 9th May 2020 and the registration is free and it is open on bestiu.edu.in/vcmeet
