

Grapevine Salons Temple Open this 4th of July

Now Pre-Leasing Salon Suites to all Beauty Professionals

Temple, May 24, 2020 (Issuewire.com) - Grapevine Salons is pleased to announce the opening of its Temple, Texas store on July 4th, 2020. The 6600-square foot salon is located in Gateway Center at 4501 South General Bruce Drive, Suite 88. Grapevine Salons pioneered the concept in Austin in 2003. The new salon in Temple is the company's first location outside of the Capital City.

The Temple salon consists of 32 fully furnished luxury suites. Each spacious suite is fully furnished, has laminate hardwood flooring so it is easier on hairstylists' back and legs. Manicure, pedicure suites are equipped with a special ventilation system to ensure a clean and sanitary environment.

The salon suite concept allows those beauty professionals who have been in a commission salon to open their own business with minimal investment. "We offer our beauty professionals the tools that they need to become successful," said Melody Sed, a spokeswoman for the Austin based company. "Upon leasing a suite, each person receives his/her own website that is already optimized for Google. This allows our beauty professionals to be easily found by their customers and grow their business," she added.

Choice suites are still available for lease to all beauty professionals. Company is offering a choice of color and one month of free rent as a pre-opening special.

Grapevine Salons presently operates two locations in Austin. The south Austin salon has 59 suites while the North Austin salon has 34 suites. Please visit GrapevineSalons.com

Other businesses in the Gateway Center include Longhorn Steakhouse, Ashley Furniture, Sprint, Cinemark Movies and BackPorch DraftHouse and Veteran Administration offices.
