

IIBM Institute of Business Management offers British online MBA in India at an affordable fee

Students who choose British MBA/PGDM not only save significant amount but also gain 1 year of work experience, making it the best ROI option available.

Delhi, May 27, 2020 (Issuewire.com) - Choosing an MBA Course is an important decision that all future Managers, leaders, and Entrepreneurs face. Faithful to its European MBA education principles and its founding values of Commitment, Ethics, Citizenship, Responsibility, and Openness of Mind, IIBM Institute has given itself the mission of training future talents and experts of responsible economy and management of tomorrow.

“Our British online MBA/PGDM program enables students to choose a program that offers specialized training, focused on business expertise. This is precisely the objective and the strength of our British online MBA/PGDM program.”, says Vikas Maheshwari Director of IIBM Institute of Business Management.

A new era is opening and bringing new unprecedented professional perspectives. The emergence of global trade, artificial intelligence, robotics, Data, or virtual reality, profoundly transform existing businesses and create new ones. Today's global economy values professionals who can cross borders, understand cultures, and operate in international contexts. Started with a vision to produce highly employable graduates through international quality education and skill development that is affordable and accessible, IIBM India aims to prepare students to be a part of the global economy.

With so many MBA programme options, it is challenging to choose the right one. Some of the critical aspects to look at while selecting your programme after COVID -19 are International recognition, an

online study including online exams, help in toward moving abroad, and access to a career in management at a senior level.

International Professional Managers Association (IPMA) - UK is an international Examining, Licensing and Regulatory professional body formed for the purpose of providing practicing managers with the opportunity to participate and to be part of the process of improving managerial performance and effectiveness in all areas of business, industry and public administration. IPMA UK has affiliates in India, China, Hong Kong, Malaysia, Indonesia, Singapore, Ghana, Nigeria, and several other countries.

The online MBA/PGDM programme offered by IPMA UK proves to perform well in all aspects, including International recognition, career support, and a reliable placement network.

It is a global programme delivered in many countries and now in India. The MBA/PGDM certificate awarded to students studying in India is exactly the same as the one awarded to the students studying in the UK, Dubai, Singapore.

Students who choose British MBA/PGDM not only save significant amount but also gain 1 year of work experience, making it the best ROI option available.

In the present scenario, where COVID epidemic has resulted in a lockdown, online studies and exams help you to finish the course in the comfort of your home.

By choosing British online MBA from of IIBM Institute of Business Management, you are one step closer to moving abroad. By doing British online MBA/PGDM from IPMA UK, you can be hired by any of the international companies. As international companies hire you, you have the option of moving abroad. Experienced candidates who successfully completed the IPMA UK program are generally hired at senior-level management positions.

So when you are considering investing in an MBA, choose a course that will accelerate your development to meet your ambitious goals and gives value for money.
