

IMPESTER MEDIA Celebrates Its 3rd Anniversary

Vedang Shahane CEO Of IMPESTER MEDIA Announced Its 3rd Year Anniversary As Digital Marketing Firm.

Nashik, May 6, 2020 ([Issuewire.com](https://www.issuewire.com)) - **IMPESTER MEDIA** began as a social media marketing agency focused primarily on social media promotional services for IT companies. In 2017, Vedang Shahane started IMPESTER MEDIA, He started observing increased use of social media platforms and started developing algorithms to target audience on social media platforms back in 2017. The company now offers all digital marketing services, social media marketing & growth consultation, growth hacks and social media managers remotely.

Since its inception in 2017, the company has been producing growth hacks for IT companies through social media. In 2019 they started FollowKart on occasion for 2nd anniversary and completed 1 Million+ orders till date. Now in its third year as a digital marketing firm, IMPESTER MEDIA has become a leader in the social media marketing for the IT market with unique perspectives and in-depth algorithms to increase social media growth and business.

Over the past year, FollowKart also has been successful at evolving and changing to stay ahead of other SMM industry business platforms and has positioned itself in the most competitive way possible.

Vedang Shahane, Founder and CEO of IMPESTER MEDIA said they have big plans to make their firms bigger and add more successful sub-brands such as FollowKart, Instagram Auto-Manger to their list.
