

Interior Contract Services Launches New Website OrlandoBusinessFurniture.com with Covid-19 Update

Interior Contract Service, the leader in Orlando Office Furniture with over 35 Years Experience, launches new Orlando Office Furniture website with Covid-19 Updates

Orlando, May 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Interior Contract Services is the premier Orlando Office Furniture provider, with over 35 years in the office furniture market. The company prides itself on being the most established and respected contract furniture company in the Country.

Interior Contract has done two great things during this Covid-19 Pandemic. They launched a dedicated page to showcase how they will be dealing with this new normal:

<https://www.orlandobusinessfurniture.com/covid-19>

Full of great Frequently Asked Questions and Other Information to help let customers know what is going and even some great products. You notice a lot of businesses have to put up dividers and glass, and Interior Contract Services can handle all your new Corona Virus Office Furniture Needs.

Interior Contract Services also has launched a new website at www.OrlandoBusinessFurniture.com. The site showcases all of Interior Contract Services. Although based in Orlando, Florida, and the company serves clients nationwide, the domain update is going to be used for the SEO purposes together with Orlando SEO Group.

Interior Contract Services is an experienced office space consulting firm dedicated to providing innovative office interior solutions. Interior Contract believes in putting people first, investing in the best and brightest individuals who embrace the company mission of providing unparalleled customer service.
