

Jagdeep Kohli, MD, a Neurologist

Get to know Neurologist Dr. Jagdeep Kohli, who serves patients in Calgary, Alberta, Canada.

New York City, May 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Kohli is an established neurologist who studies, evaluates, diagnoses, and treats conditions that affect the nervous system. He is currently serving patients in Calgary, Alberta, Canada.

Educated in the United States and Canada, Dr. Kohli earned his medical degree from the University of Calgary Faculty of Medicine. He then went on to complete his internship at the University of New Mexico

Hospital, followed by his residency at the Mayo School of Graduate Medical Education.

In order to stay informed concerning the latest developments in his profession, he maintains professional memberships with the American Academy of Neurology and the Royal College of Physicians and Surgeons of Canada (Fellow). He also serves as a Clinical Assistant Professor of Neurology within the Department of Clinical Neurosciences at the University of Calgary.

Furthermore, he is board-certified in neurology by the American Board of Neurology and Psychiatry (ABNP). The ABNP is an organization that provides board certification to qualified MDs who specialize in disorders of the nervous system (neurologists).

Attributing his success to his hard work and his ability to provide quality patient care, Dr. Kohli embraces public speaking on neurological topics for the purpose of sharing his expertise and experiences with the public, as well as future and existing medical practitioners.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.

A man of refined taste, Dr. Kohli is a music aficionado and plays jazz guitar himself, and is an avid golfer. His favorite professional publications are the New England Journal of Medicine and Neurology.
