Joe Exotic's“Revenge” Fashion Line Crashes Odaingerous Website, Breaking the Internet

Fans of "Joe Exotic" are flocking to the Odaingerous website in droves, causing a website crash!

Los Angeles, May 14, 2020 (Issuewire.com**)** - This “REVENGE” collection features images of Backstabbing, Betrayal, Fake Friends, & Success graphically designed with a signature street-wear approach, printed on T-Shirts, Hoodies and Joggers. The overall intention of the design of this collection is to open a dialogue on “REVENGE” and what that means to people on an individual level. Fans have

flocked to the Odaingerous website, causing to the website to crash twice!

"Odaingerous breaking the internet, amazing"
-Odain Watson CEO of Odaingerous

Watson got word of the site crash on Wednesday, May 13, while partnering with the "My Friend's House" foundation, donating custom "REVENGE" face mask for "Health X Hollywood's" #MaskOnChallenge & helped to hand out personal hygiene products to homeless individuals hoping to aid in the fight against COVID19.

This collaboration is sure to be one of the most talked-about collections of 2020, with fashion guru Odain Watson at the helm of Odaingerous, the addition of the limited-edition capsule has been specifically designed with Joe Exotic's exuberant personality in mind. So many of the qualities in this collection aligned with the things Joe experienced on and off the show, this collection shows the good, bad & the ugly in this bold collection.

The new "Revenge" collection starring Joe Exotic is available now at www.odaingerous.com.
