

Lenny Ramirez, DPM, FACFAS, FACFAOM, a Podiatrist with Riverside Medical Group Foot and Ankle Division

Get to know Podiatrist Dr. Lenny Ramirez, who serves patients in multiple offices in Northern New Jersey.

New York City, May 13, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Ramirez is a well-versed podiatrist in practice with Riverside Medical Group Foot and Ankle Division, serving patients in multiple offices in Northern New Jersey. His medical interests are diabetic foot care, including reconstruction, foot and ankle surgery, and total ankle arthroplasty and replacement.

Riverside Medical Group is the premier medical practice in Northern New Jersey serving patients in Bergen, Essex, Passaic, and Hudson counties. The team consists of over 100 board-certified medical providers equipped with state-of-the-art diagnostic tools and committed to providing patient-focused medical care to the entire family.

A firm believer in patient education, Dr. Ramirez focuses on explaining to the patients their conditions in detail and providing them with different options. Since he has a strong family history of diabetes and being a diabetic himself, he takes great interest in treating and understanding diabetes with different foot complications and ailments associated with the condition.

After graduating from St. John's University with his Bachelor of Pharmacy degree in 1987, he went on to obtain his Doctor of Podiatric Medicine (DPM) degree from the New York College of Podiatric Medicine in 1991. He then completed his residency at Passaic Beth Israel Hospital in 1993.

Throughout his extensive career, Dr. Ramirez was the past Chief of Passaic Beth Israel Medical Center, past Chief of Meadowlands Hospital, past Resident Director of St. Mary's Hospital, as well as the past Consultant for Solano Orthopedics, Seal External Fixation Company, and Medartis Orthopedics.

At present, he is an Assistant Director and an Externship Coordinator at Hackensack University Medical Center at Palisades for the Podiatric Surgical Residency Program.

A Diplomate of the American College of Surgeons (FACFAS) and a Fellow of the American College of Foot & Ankle Orthopedics and Medicine (FACFAOM), the doctor is board-certified in podiatric surgery by the American Board of Foot and Ankle Surgery, whose mission is to protect and improve the health and welfare of the public by advancing the art and science of foot and ankle surgery. He is also a Registered Pharmacist (RPH).

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.

Present-day, Dr. Ramirez and his family have been residents of Wayne, New Jersey since 1996. He and his wife, Cindy, who is a registered nurse, have three children: Tyler, Samantha, and Sarina.
