

Madiha Ghayas, MD, a Psychiatrist with Fulshear Medical Associates

Get to know Psychiatrist Dr. Madiha Ghayas, who serves patients in Houston, Texas.

New York City, May 22, 2020 ([IssueWire.com](https://www.issuewire.com)) - Recognized as a compassionate and skilled psychiatrist, Dr. Ghayas sees patients at Fulshear Medical Associates in Houston, Texas. Having established her private clinic in 2014, she holds expertise in a variety of psychiatric conditions, including but not limited to: depression, anxiety, ADHD, bipolar disorder, marital issues, grief, dementia, schizophrenia, women's issues, PTSD, and more.

Fulshear Medical Associates consists of a team of experts who focus on treating the patient, not just the disease. A dedication to excellence is evident in every aspect of the practice, from prevention to diagnosis and from treatment to follow-up care. The highest level of quality and concern is made possible through a philosophy of compassionate and personalized care using the latest technological advances available.

The doctor's acclaimed career in medicine began after she earned her medical degree from Dow Medical College in Pakistan in 2001. Upon relocating to the United States, she completed her residency in psychiatry at Harlem Hospital Center in New York City in 2010, followed by her fellowship in geriatric psychiatry at the prestigious Mount Sinai School of Medicine in New York City in 2011.

Respected in her field, she is board-certified in psychiatry by the American Board of Psychiatry and Neurology, a not-for-profit corporation dedicated to promoting high-quality patient care for the public through the initial and continuing certification of psychiatrists and neurologists.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.

Outside of the office, Dr. Ghayas enjoys spending time with her family.
