

## Motif Luna Double Electric Breast Pump - The best new entry in the Hospital Grade Breast Pumps range

The all new Motif Luna Double Electric Breast Pump is one of the top BPA Free Double Electric Breast Pumps in Lucina Care's range of hospital grade breast pumps.

**New York City, May 8, 2020** ([Issuewire.com](http://Issuewire.com)) - The [Motif Luna Double Electric Breast Pump](#) is a breakthrough hospital grade portable pump that is also a compact without compromise. Motif Luna is small, super lightweight, ultra-quiet pump, and can be operated by a rechargeable battery. **Motif Luna** pump offers mummies a convenient, safe, discreet way to provide their babies vital nutrition with a new

level of freedom.

Very Powerful breast pump built for modern motherhood. The new Motif Luna pump is a high-powered breastfeeding pump that gives you "more milk in less time" as per the several moms who have used it!

Sophisticated. Soothing. Strong. Meet the new Motif Luna! The very powerful new breast pump from the Motif Medical. It's sleek on the outside and quite high-powered on the inside. Mommies say the new Luna pumps "more milk in less time" and it is easy to use, with a silent motor that wouldn't wake the baby during the operation.

Its Expression & Massage Modes provide full control and maximum comfort to moms. These modes can simulate let-down by mimicking your baby's natural nursing pattern (behavioural) and expressing good milk from the breasts with real high efficiency.

### Key features of [Motif Luna Double Electric Breast Pump](#):

- **Pump How You Want** - Single or double pumping option.
- **"More Milk in Less Time"** - Moms who have tried the Luna Pump tell, it works really well under pressure in a pretty short amount of time. Even Comfortable at its highest setting for a faster let-down.
- **You're always in Control** - Easily adjust the vacuum levels and the cycles to fit your comfort level
- **Ease of Use** - Simpler setup & very easy customization options so that you can super quickly find what works best for you and the baby
- **Night Light** - Built-in LED lights with 3 very different settings. Very perfect for pumping while your baby is calmly sleeping.
- **Backlit LCD Screen** - Very easy-to-read screen that wouldn't strain your eyes.
- **Quiet Motor** - Pump discretely with a 45-decibel hum. So quiet that it wouldn't wake your baby.
- **Closed System** - The Backflow prevention keeps it's motor and tubing clean, preventing any contamination.
- **Lightweight** - Just 2 pounds of weight, it's built compact for easy mobility.
- **Auto Shut-Off** - It can turn off automatically after 30 minutes of non-stop usage.
- **Easy-to-Read Milk Collection Containers** - Containers are sturdily built and have a stark printed scale that makes measuring simple.

Many working nursing mommies are having an amazing experience by using a Motif Luna Pump. Many moms also qualify for a Motif Breast Pump via Aetna insurance order only to save on the purchase cost while also being assured with Motif pump and insured with Aetna.

The best part of getting a free Motif Luna breast pump from [Lucina Care](#) is that you also get free extra kit/hands and extra cups, and you also get free next day shipping. Not just that, you also get 24/7 customer service to get assistance on choosing the best breast pump for your feeding needs.

Cheers to nursing!
