NearLearn CEO Said, Classroom Training will resume from 8th June 2020 in Bangalore

Bengaluru, May 29, 2020 (Issuewire.com) - NearLearn CEO, [Himansu Rout](#) said in a management Meeting, We are inviting back the Students from 8th June 2020 in Our all training centers in Bangalore for Classroom Batches.

Like all other industries, these centers had earlier been closed as a protective measure against the spread of Covid-19.

Training will start with certain rules & regulations in an institute, by maintaining the Social Distancing and Thermal Screening.

During the Management Meeting, the CEO states, our institutes provide safe training that they comply with stringent hygiene protocol.

General Safety Precautions are taken by the Company:

- Allowing 50 per cent of students back to classroom training- No gathering permitted
- wearing a mask in the classroom is compulsory, without mask entry will be restricted

- All common areas of an institute's premises, including toilets, must be sanitized after each use
- Entrance areas must be sterilized daily.
- Water dispenser is not allowed.
- No gatherings outside training facilities are permitted
- No high-risk individuals may enter the premises.
- Individuals with chronic diseases should not attend training sessions.

Apart from these, mandatory temperature screenings will be done. Cleaning and sanitizing of the premises at the end of each day is a must. Maintaining physical distancing rules and providing masks and sanitisers are also a priority.

The notice further says all restrictions must be communicated to all students and visitors.
