

Phenomenal Figgaz, Wants to Use his Music to Unite the Hip Hop Industry!!!

New York City, May 18, 2020 ([IssueWire.com](https://www.IssueWire.com)) - For Phenomenal Figgaz, music is something that transcends language. It's a force bigger than we could ever comprehend, capable of transporting us from one dimension to the next. Since the age of 10 years old, the Artist, Producer, Artist Developer has been influenced by Hip Hop. There's no wonder you feel the true Hip Hop feel in each track. No matter the song, Figgaz wants to leave you with feelings of good vibrations. That's exactly the vibe the Brooklyn-born musician goes for when he's conjuring up his out of this world beats.

His influences include many of the greats, notably those who have been notorious for taking bold risks. According to Figgaz, "The love of Hip Hop influences my career and the people who love it influences me." This affinity he's developed for risk-taking shows in his music, and his talent lies in his refined ability to weave in and out influences of modern rap, hip-hop and just good music for everyone.

While the word 'melting pot' gets loosely thrown around a lot, there's a certain singularity about that Phenomenal Figgaz formula that's destined to keep you coming back for more. Let him take you through an aural landscape of sounds, a journey to a place where the imagination knows no bounds. Recently appearing on the on Taylorman Radio FM Station to announce his upcoming projects. Check out his music in rotation there and on all streaming platforms. If Figgaz is not with his family, he is helping artist

develop. Development and unity amongst artists is a huge goal of the Emcee. With music as first love, Figgaz rarely has time for anything else. Another love of Figgaz's is directing and filming. Be on the watch for his anticipated movie/web series and future film projects.

With so much on his plate does Figgaz must get the back burner? Each versatile track shows you his passion. You have to listen to his music to know music is the main priority for Figgaz. Figgaz also makes sure his business taken care of too. Doing good business will give Hip Hop and Figgaz continued survival and success in the industry. Currently, Figgaz is working on an album with his artist Lady J, "212" also featuring several other artists. Be on the lookout for Phenomenal Figgaz next project. You can see any updates on his Instagram @Phenomenal_Figgaz. Figgaz will be around for a while creating hits in some capacity. He will not stop until he succeeds
