

PresenterMedia adds new PowerPoint templates to their vast collection in May, 2020

PresenterMedia just released four new and exciting animated PowerPoint templates for presentations. Read on to find get more details about these great new templates.

Sioux Falls, May 31, 2020 ([Issuewire.com](https://www.issuewire.com)) - PresenterMedia, a leader in PowerPoint designs, is proud to announce the creation of four new animated [PowerPoint templates](#) that were released in May 2020. Here is a list of the new PowerPoint templates for download:

- Share a report Business PowerPoint template
- Healthy eating nutrition template for PowerPoint
- Chevron timeline template for PowerPoint
- DNA science Interactive PowerPoint template

“We don’t want anyone’s presentations to fall flat, so we strive every month to provide presenters with the very best PowerPoint templates and animated designs to help them get presentation work done faster with amazing results that knock the socks of their audience”, explains Judd Albrecht, Co-Owner and VP of Design at PresenterMedia.

A little description of PresenterMedia’s new animated PowerPoint templates.

The first ppt template released in May is the **share a report business PowerPoint template**. An Animated PowerPoint Template Design that can be used for business, teaching, or a political theme.

The second template released is the **healthy eating nutrition template**. This template was designed to help people give a presentation of diet, nutrition, or eating habits.

The third template released is the **chevron PowerPoint timeline**. This sleek PowerPoint timeline template is designed around a chevron shape.

The fourth template released is the **DNA interactive template for PowerPoint**. This template is designed for people working in science medicine to display their information points in a creative and engaging way.
