New Delhi, May 7, 2020 ([IssueWire.com](https://www.issuewire.com)) - Offiworld Venture Pvt. Ltd. ***appreciated under Startup Of The Year 2020 recognized by The CEO Story magazine.*** It's *admirable growth and differentiating factors drew the attention of The CEO Story.* Offiworld Venture, a startup, was incepted to cater to the needs of corporate gifts & office supplies in an organization and ensures to meet the essential quality standards. Under the supervision of Saurabh Khare, the Director, Offiworld Venture has carved a niche in the entrepreneurial space.

Offiworld provides offerings in multiple categories such as corporate gifts, apparel, office stationery, IT products, house-keeping, pantry products and on-demand printing services to corporate and retail clients. The company has an extensive and superior-quality product range, strong product insight and alliance with renowned brands, and it also offers customized solutions to others. All of these products are sold at competitive prices. Moreover, it offers prompt service and multi-location hassle-free delivery. Founder Saurabh Khare says, *"Understanding our client's specific goals and individual needs is our top priority. We have the ability to work with our clients in a more consulting way, developing customized solutions to fit their office supplies needs. Clients that work with us on a strategic level say that they see us as an important resource and an integral part of achieving their goals."*
