Janalaxmi design is the leading brand elevating its chore and making interior design's praiseworthy.

[Deepak Pathak, Co-founder and CEO of Janalaxmi design's](#)

[Deepak Pathak](#) is a young man from the city of dreams that is Mumbai. He is a well known interior designer with a well-established business named "Janlaxmi Design and Art". Humble beginning and unstoppable hard work made him reach this level where he has attained a lot. His early education was done from Mumbai. Deepak commenced his business career as a business development manager and worked for three years in Goa. In the year 2014, **he started with his own start-up in 2014 named "Rudra Builders and Developers"**. But it's not always that one gets success at an early stage with the initial beginning he does face some prior issues in his business but with the vigor to do something exceptional made him turn out best. So, he commenced his own interior designing company named "Janlaxmi Design and Art" in the year 2017. He united with lots of well-known vendors of wooden crafts and decors. His company is running successfully presently and is working tirelessly day and night in designing houses, shops, stores, showrooms, and company interior designing projects for well-known companies like WIPRO. For Deepak, Janalaxmi is not just a company but more of a result of his immense dedication. **His purpose is to make each and every accessible space comfortable, elegant, and vibrant. He believes in comprehending and enriching the strength of Arts.**
