

A dark twist on pop music with new single “Suffocate Me”

New York City, Jun 21, 2020 (Issuewire.com) - One of America’s most impressive prospects ‘Ash Graves’ an Atlanta based Pop singer and songwriter, is set to release his new single “Suffocate Me”. The single will be available for download on all music streaming platforms from June 19th 2020.

“Suffocate Me”. The single itself speaks in volumes as to who Ash Graves is as an artist. An artist who is not afraid to cross boundaries and write about things in ways most people wouldn’t. Ash’s dark and almost uncomfortable music evidently stands out among the rest and somehow seems familiar, yet

unique at the same time.

This new single truly showcases how much is put into his music. Designed with unforgettable hooks, and deep underlying messages that deliver Ash Graves's compelling signature style of amazing dark Pop, "Suffocate Me" reveals the strength he possesses in being able to share personal messages through his songs.

"Suffocate Me" is an incredible take on Pop music overall. With his dark, almost comforting singing, concepts, and beats designed to be turned straight up; Ash Graves unbelievable performance, commitment to quality production, and identifiably gritty details & personally revealing rhymes were all stacked up into "Suffocate Me" making the single an incredible listening experience for lovers of good music.

Speaking about "Suffocate Me" Ash Graves said in a press statement, "Suffocate Me is really a metaphor. It talks about the suffocating feeling you get in a relationship when the person you love is pulling away from you and you know there is nothing you can do about it. It's a feeling I think everyone can relate to, all of this pressure comes from out of nowhere and just keeps building. You know the relationship is coming to an end and the only thing you can do is try to hold on for as long as you can".

With what has been heard so far, it stands to be said that Ash Graves is truly a unique artist. The deep and impactful lyrics on "Suffocate Me" are a direct hit – the dark Pop infused sounds in the single are wickedly on point and come with precision, finesse, and rhythmic flow of a focused singer who puts everything he's got on everything he does.

Join Ash Graves as he takes over the scene in 2020 and sets up his reign in Pop music for the future to follow.

About Ash Graves

Dark, emotional, and all too real. Ash Graves is an alternative/pop artist that redefines pop music. With deep, personal lyrics and unforgettable music, he somehow makes you feel both uncomfortable and deeply comforted at the same time. Following the release of his first two singles "Coma" and "Demons" the artist had this to say - "My music is about pain and grief, it's about loss but it's also about self-reflection, and trying to find comfort in those darker feelings that we all struggle with". Ash Grave's new single Suffocate Me from his upcoming debut EP "I'm sorry I made you cry" will be out June 19th.
